

OARE PARISH COUNCIL

ACCESSIBILITY STATEMENT

Adopted: September 2020

Reviewed: May 2022

Introduction

Oare Parish Council is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. This website is hosted by wix.com. Wix is committed to facilitating the accessibility and usability of its websites for all people with disabilities.

Conformance

We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone.

Whilst Oare Parish Council strives to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and we are currently working to achieve this. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility.

Limitations

Some older documents may not be structured so they're accessible to a screen reader. If you find a document is not compliant, please let us know and we will do our best to provide a compliant version. It would be a disproportionate burden to go back and amend all historic documentation.

Feedback

If you have any comments and/or suggestions relating to improving the accessibility of our site, please don't hesitate to contact the Parish Clerk on 07941 987691 or by email at oarepc@aol.co.uk. Your feedback will help us make improvements.
